Anti-doping

If any competitor has to take any of the substances listed on the WADA Prohibited list for a medical condition, then they must have a Therapeutic Use Exemption from the FAI – this documentation must be made immediately available to the Contest Director, if requested. The rules are available at: fai.org/anti-doping

Visa Requirements

Guidelines for visa requirements are available at: nyidanmark.dk/en-GB

However we recommend verifying all travel requirements with your local travel representatives.

Insurance

The World Championship and pre-contest competitions will be covered by third party liability insurance according to the FAI rules. Each competitor have to have his own health insurance.

Drone legislation

If you are an EU citizen, you must register as an operator in the country where you live / reside. If you are a citizen out side EU you must register as an operator in the first EU country in wich you will operate your drone. We strongly recommend that you follow this link and meet the requirements for opeating drones in the open category A3. <https://www.easa.europa.eu/the-agency/faqs/i-am-non-eu-visitor-drone-operator-open-category>

Practice slopes

Pilots will be able to practise on most of the contest slopes in the Hanstholm area. The slopes will be published on the webpage.

Accommodation

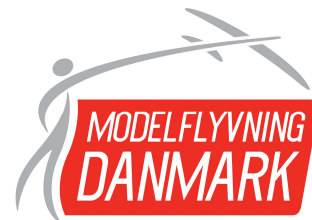

In the area of Hanstholm, Thisted and Nykøbing Mors there are several hotels, B&B, summer houses and camping facillities available. The accomodation in Denmark is fairly high rated, which means that a two-star hotel will satisfy most people.
